SHOW AT 8:15 A. M. - SALE AT 11:30 A. M., C.S.T.

The offering comes from a great many of the leading breeders in the area - breeders who have won renown in the show and sale rings and others produce just down right good practical cattle. Please study the pedigrees carefully and then be with us on sale day.

25 BULLS - of herd heading caliber, individually and in breeding.
Most of them are ready for service now.

62 FEMALES - of the richest ancestry. Note that there are fourteen with calves at foot and rebred, 28 other bred females, 20 open heifers which includes 7 heifer calves of 1965 of the right age for future Club work. Note especially the bulls to which these females are bred.

56 CLUB STEERS - mostly from breeders who have been selling the top club calves here in the past sales. Most of them are consigned by breeders who are selling breeding cattle in this sale.

PLEASE NOTE: We will start the sale with these calves at 11:30 A. M. SHARP, CST, so as to start the sale of the breeding cattle promptly at 1:00 P. M. Sharp.

ATTENDANCE PRIZE: \$25 in cash will be given away immediately after the sale. Be sure to get your name and address upon only one card for the drawing.

DINNER MEETING: We have enjoyed our informal dinner meetings at the OX YOKE INN located in the world famous village of Amana, Iowa, which is 16 miles southwest on Hwy. 149 from the junction of Highways 30, 218, 149 and 64 at the southwest corner of Cedar Rapids. Accordingly we have arranged for an ala carte dinner in the Woodshed Dining Room in the above Inn at 6:30 the evening before the sale. The consignors and sale manager will make an effort to get people interested in going to the INN together, become better acquainted and use fewer cars for the trip. See us for arrangements.

EARL S. GIRTON, Sale Manager

Livestock Insurance may be obtained in the American Livestock Ins. Co. - Harding and Harding - through the sale manager, Earl S. Girton.

Please Bring This Catalog To The Sale With You.

General Information

TIME: Saturday, September 18, 1965. Show at 8:15 A.M., Sale at 11:30 A.M. Sharp CST.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. Paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense, but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. Auctioneer: J.E. Halsey, Des Moines.
10. Special Representatives: Gene McDonald of the Shorthorn World, Tom Sherlock, Wallace Farmer, Roy Wagener, Bellevue.
11. Clerk: Keith Noll, Vice-President, Peoples Bank and Trust Company, Cedar Rapids, Iowa.
12. Sale Manager: Earl S. Girton, Box 732, Marshalltown, Iowa. Phone: 753-3693, Code: 515. Assistant Sale Manager: Merne Anderson, Victor, Iowa. He will handle the health charts and steer calves.
13. The sale manager or others may be reached by phone listed as Hawkeye Downs, 6th St., Code 319, Empire 3-4341.

W L ROSEBUD 39TH - This will be the last N-Bar Prince cow to be sold at auction. There are two of her daughters being kept in the herd. She will be well along in calf since December 26th to Louada Rothes Prince. A former Denver sale top selling bull, W. L. Aristocrat, that went to Ray Blumer of Kelso, Wash., was her first calf. This same bull was Grand Champion that following week at Ft. Worth. Drynie bred cattle that have been brought over and taken care of have been some of the best (Drynie Wonder) and the Drynie Rosebuds were one of their best families. The dam of this cow was sold in a former Cedar Rapids sale to KC Farms and is still raising calves for them.

Notice that she is sired by Glastullich Garrison who was the main herd sire in the famous Bapton herd in Scotland at the time the Bapton herd was sold to Louada Farms. He sired Bapton Guardsman, the \$25,000 sire heading the Fernwood herd at the present time. Also note that this calf's dam is sired by Burnton Gordon, the \$13,000 son of Bapton Constructor. He shares herd duty with Glastullich Garrison in the fine Tutira herd. Please study this heifer and her breeding

RECENT INTERNATIONAL GRAND CHAMPION SHORTHORN STEERS

An Invitation To The Youth In Hawkeye Downs Area

In each of our Hawkeye Downs sales we plan to have some consignments of the proper age that may be used for 4-H and FFA Club work. In this sale please note the purebred heifers, lots 81 to 87, were calved in 1965. It is likely that some heifer calves may be sold off their dams. We are also offering 56 SHORTHORN STEER CALVES.

Most of these calves are offered by the breeders consigning breeding cattle to this sale.

This is a larger offering of calves than we have had in the past. This increase comes largely by breeders who have consigned the top calves in former sales. This should make for a finer selection than in the past.
